

# 530

## .1"(2.54mm) Crimp Housing and Contact 02 to 20 Contacts

**Technical data :**

Contact Material : Copper alloy  
 Applicable wires : AWG # 24 to 28  
 Wafer Material : Nylon, UL 94V-0  
 Current Rating : 3A AC, DC  
 Voltage Rating : 250V AC Maximum  
 Temperature Range : -25°C~+90°C  
 Contact Resistance : 20 mOhm Max  
 Insulation Resistance : 1000 MOhm min  
 Withstand Voltage : 1000V AC/minute

How to order    -    -

Series-Nr.                      Nr. of contact                      Connector Type                      Plating

Nr. of contact	code
02~20	02~20

Connector type	Code
Housing	1
Contact	2

Plating	Code
Gold Plated	10
Tin Plated	50
Omit for housing
